Date Request Received: July 29, 2002
Data Request No.: Nashua – PSC 1-1

Date of Response: August 2, 2002

REQUEST: Please list all of the acquisitions of water or water and sewer utility companies by Philadelphia or its subsidiaries or affiliates since 1996 whether through purchase, merger or otherwise. For each acquisition please give the name and address of the utility acquired, the utility regulatory body or bodies that approved the acquisition and the docket or record number of the proceeding granting the approval.

In addition, PSC objects to this request to the extent that it seeks the address, the utility regulatory body that approved the acquisition, and the docket or record number of the proceeding granting the approval since this information is not relevant or likely to lead to the admission of relevant evidence in this proceeding. PSC also objects on the grounds that the request for the address of the utility acquired is vague and ambiguous. Without waiving this objection, PSC will provide the name of the water or water and sewer utility companies acquired by it and the states in which they operate.
